Who is Eligible to Apply?

Important:

All areas of specialization/disciplines are applicable. Please ensure you select a maximum of 3 disciplines across provinces.

How to Apply

All applications must be submitted electronically on the NRF Online Submission System at https://nrfsubmission.nrf.ac.za. - register

Please note that you can only apply for a maximum of 3 disciplines across all provinces.

Applications received after the closing date will not be considered. Correspondence will be limited to short-listed candidates.

Duration

The internship programme is offered for a period of 12 months. Successful applicants will be required to sign an internship contract for the duration of the internship period.

The NRF does not pay relocation costs to appointed applicants who have to relocate to faraway provinces.

Successful applicants will be placed in various institutions throughout the country and should thus apply for a position available in the province where they would like to be placed.

Candidates with disabilities are encouraged to apply.

Applications are invited from candidates who are interested to be placed in the following areas of specialization or disciplines and in the stated provinces:
